

Invitations by DeZyne

CUSTOM Handmade Invitations for Every Occasion

Pocket Invitations

Pocket Invitations are here to stay. What could be more exciting than the beautiful "Amazing" pocket folder available in many different styles & colors. The pocket folder invitation offers "Organization" one of the most important aspects of your wedding. Your invitations & all of the accessory cards fit neatly into this easy to use "Elegant" folder. Just slide everything into the envelope and it's ready to mail. Whether your style reflects a simple stylish invitation or shows off your love of lace, pearls, glitter and bling, we can help. Floral designs are also a great choice for Seasonal and Holiday wedding invitations.

RSVP card - Always a must for Catering & Seating purposes.

Reception card - Great way to let your guests know when and where the "Party" is.

Hotel Accommodation card - Booking rooms ahead for your guests is a thoughtful idea. Especially for those who drive long distances to help you celebrate your special day. \$\$ Special room rates, too \$\$

Maps - Not every occasion requires a map, but when your guest might need a little help . . . Map to the Rescue.

We're Registered - When I receive an invitation, my thoughts immediately turn to, what kind of gift should I buy. We're Registered cards can be included along with the invitation as a matter of "convenience" for your guests. They know exactly what you need, also saving them time.
